# YOUR WEDDING RECEPTION

## A MOMENT OF JOY AND CELEBRATION

### OUR RECEPTION FORMULAS

It's time for reception which means you're married and it's official! **Your guests are eager to congratulate you and share this moment of joy with you!** However it is also the time to refresh everyone.

The Vin d'Honneur, also called a Cocktail Reception, will open the festivities and this is why it's a key moment that must be successful.

What if you had the opportunity to **make your Reception original** with tailor-made drink formulas? The tasting of different cocktails will refresh your guests as much as it will bring them together around the bar.

What is the secret to a successful reception? Of course your guests will want to spend time with you and make a toast for your "long life" together ! However, the proliferation of drinks, especially alcoholic drinks, offers too many choices and above all gives you headaches!

Simplify your life by opting for two **signature cocktails, white & red wine, a little champagne and especially flavored water.**
